

Casa Jules Cesar **MANUALS**

Airco Bed rooms

ON/OFF - MODE: cooling or heating

TEMP: in the evening or at night **21/22 degrees** is comfortable. If you want little bit of fresh air: windows can then be tilted with roller shutter closed to approx. 10-15 cm (in the absence of curtains)

Don't forget to turn airco off when sleeping or early in the morning!!

Symbol for: COOLING: ❄️ (freeze)

Symbol for HEATING: ☀️ (sun)
